# Hi there!

Moretenders' Cocktail Crib was founded in 2015 by a team with over 10 years of experience in the spirits and entertainment industry.

Prioritizing interaction between the bar team and guests, the venue is also a cocktail R&D laboratory.

The Moretenders repertoire includes more than 100 unique cocktail recipes.

We also serve cocktail classics.

# Quality and Expertise

*Competence at its best*

In addition to our experience and knowledge, we follow new trends in the world and constantly research new cocktail recipes and service styles with our 20-pax bar and service team.
